

At chessGambit, we respect your privacy and are committed to protecting any personal information you may provide while using our website. This Privacy Policy outlines how we handle data collected during your use of chessGambit.

1. Data Collection

chessGambit does not actively collect or store any personal information from its users. The platform is intended solely for entertainment purposes, and users are encouraged to interact and enjoy chess games without the need to provide personal data.

2. Cookies and Usage Data

We may use cookies and similar technologies to enhance user experience and understand website traffic patterns. These cookies do not collect personal information and are used solely to improve functionality and performance. You can disable cookies through your browser settings.

3. No Personal Information Storage

chessGambit does not require or store sensitive personal information such as names, addresses, or payment details. We advise users not to share personal information on the platform. Any data inadvertently shared is not stored or processed by us.

6. Changes to this Privacy Policy

chessGambit reserves the right to update or modify this Privacy Policy at any time. Any changes will be posted on this page with the updated effective date. Continued use of the site after changes are made constitutes acceptance of the new policy.
